**FOR IMMEDIATE RELEASE**

**DGM ANNOUNCES SALES OF NEW EQUIPMENT TO  
QUEBEC COMMERCIAL PRINTER**

Elizabethville, PA– Dauphin Graphic Machines, Inc. (DGM) announces the sale of DGM 430 printing units to Payette et Simms of St. Lambert, Quebec.

Payette et Simms's current expansion to their existing press line represents the third DGM press unit addition that Payette et Simms has purchased from DGM since 1998. This sale of four DGM 430 units is to be configured as two 2-high units. These multiple DGM purchases have allowed Payette et Simms to replace an older press in stages, upgrading their performance capability in speed and quality while reducing make ready time.

Payette et Simms is known regionally as a high quality commercial printer, and currently produces their own line of children's publications in French. The press was installed in late May of 2006.

Located in Elizabethville, PA, DGM employs 205 persons within a 125,000 square foot manufacturing facility. DGM Manufactures a complete line of single width offset presses including the DGM 430, DGM Advantage, DGM Advantage II (also a slip in replacement press for the DGM 850 or Urbanite™ DGM 440, DGM 440S, DGM 850, DGM 870 as well being the manufacturer of the Americolor tower, a 50" double width tower extension to the installed base.
