MANUGRAPH DGM ANNOUNCES SALES OF NEW EQUIPMENT

Elizabethville, PA– Manugraph DGM, Inc announces the sale of new press equipment to The Paducah Sun (Paxton Media Group) and Graphic Developments, Inc.

The Paducah Sun of Paducah, Kentucky, (28,000 daily circulation) has purchased 16 units of the DGM Advantage II and one DGM 1240 folder. The press will be configured as four (4) towers, and the DGM 1240 folder will feature a steep angle former and upper former.

The new DGM Advantage II press will be delivered sometime in December of 2007, and is expected to be fully commissioned by early March 2008. The press will be a replacement for their older press line, and will be housed in a newly built location.

The DGM Advantage II is expected to give The Sun more color ad pages for their advertisers than is currently produced at this time. The press will also print their Total market Coverage weekly, as well.

Graphic Developments, Incorporated of Hanover, Massachusetts has purchased four (4) units of the DGM 430 press.

Delivered in December of 2006, the configuration of two (2) two-highs with roll-stand is currently up and running. The new DGM 430 pressline is an add-on to their current pressline.

Graphic Developments is a commercial printer that produces weekly and monthly trade publications in the real estate, banking, food, hockey industries, as well as several ethnic publications.
