

1030/1035 1/4 FOLDER BRUSH UPGRADE

Do you have a 1030/1035 quarter folder built prior to July 2006? Do you want a more accurate fold out of your quarter folder?

Upgrade!

The Manugraph DGM 1/4 folder brushes give you the following benefits:

- Holds the product square for a higher quality quarter fold
- Holds the product flat to the bed when the chopper engages for a higher quality quarter fold, reducing the chance of dog ears.

Upgrade includes all the parts to complete the quarter folder brush assembly, chopper cover, and hardware.
